 Kenrick-Neuberg Speaker Seminar Series
 Arizona State University

- Presented a 120-minute talk about an upcoming, extensive cross-cultural project that plans to elucidate the link between sexual morality, religion, and evolutionary theory

The Fundamental Principles of Evolutionary Psychology 2020
 Taras Shevchenko National University of Kyiv, Ukraine

- Designed and presented a 45-minute talk about basic evolutionary psychology principles including parental investment theory, sexual strategies theory, and sexual disgust

Six Dimensions of Sexual Disgust 2019
 Brain, Behavior & Evolution Seminar Series
 The University of Texas at Austin

- Presented a 45-minute talk about my research describing the Sexual Disgust Inventory (SDI), a new, comprehensive tool for assessing individual differences in sexual disgust

WORKSHOP PRESENTATIONS

Incoming Graduate Student Workshop

2020~2021

The University of Texas at Austin

- Gathered materials, organized, and presented a department wide, multiple-day, incoming graduate student workshop. During this workshop, we oriented incoming graduate students to the University's and Department's best practices. Topics I presented and organized included requirements as a Teaching Assistant, IRB procedures, and life in Austin.

IRB Workshop

2019~2021

The University of Texas at Austin

- Designed, orchestrated, and presented a department wide, two-hour, informal IRB workshop. I initiated this workshop and it is the first workshop the department has had of its kind. During this workshop, we oriented incoming graduate students to the University's IRB regulations, study review levels, best practices of research, requirements for vulnerable populations, and IRB study categories.

Applying to Graduate School

2019

Women in Psychology

The University of Texas at Austin

- Participated in a panel as a Graduate Student Representative about applying to graduate school.

GUEST LECTURES

Sexual Arousal and its Measurement

2021

Sex Education

The University of Florida

Professor: Liana S. E. Hone, Ph.D.

- Co-presented a 50-minute lecture to an undergraduate sex education course about evolutionary and clinical perspectives of sexual arousal. Co-presenters spoke about the different methodology involved in measuring sexual arousal—both subjective and physiological—within a laboratory setting

Sexual Desire

2019

Introduction to Human Sexuality

The University of Texas at Austin

Professors: Cindy M. Meston, Ph.D. & David M. Buss, Ph.D.

- Co-lectured an in-person course of ~100 undergraduate students about evolutionary perspectives of sexual desire
- Co-lectured a live, recorded broadcast to a Synchronous Massive Online Course (SMOC) of ~500 undergraduate students about evolutionary perspectives of sexual desire

Sexual Jealousy

2018

Introduction to Human Sexuality

The University of Texas at Austin

Professors: Cindy M. Meston, Ph.D. & David M. Buss, Ph.D.

- Co-lectured an in-person course of ~100 undergraduate students about evolutionary perspectives of sexual jealousy
- Co-lectured a live, recorded broadcast to a Synchronous Massive Online Course (SMOC) of ~500 undergraduate students about evolutionary perspectives of sexual jealousy

The Integration of Evolutionary Science in Human Sexuality Research

2018

Experimental and Research Methods

Texas State University

Professor: Jennifer Clegg, Ph.D.

- Presented a 45-minute lecture to an undergraduate research methods course of ~30 undergraduate students about the methods used in human sexuality research and evolutionary science

Introduction to Human Sexuality Research

2018

Introduction to Human Sexuality
University of the Incarnate Word
Professor: Cay Crow, LPC

- Presented a 45-minute lecture outlining human sexuality research to ~30 undergraduate students

TEACHING EXPERIENCE

The University of Texas at Austin, Psychology Department

Lab Instructor

Psychological Methods and Statistics (~30 students)

2021

Statistics and Research Design (~30 students)

2019

Teaching Assistant

Human Sexuality, a Synchronous Massive Online Course (SMOC; ~500 students per semester)

2018~2021

MENTORING EXPERIENCE

Co-mentor for Undergraduate Psychology Thesis

2022~2023

The University of Texas at Austin, Psychology Department

Principal Investigator: David M. Buss, Ph.D.

- Advised, planned, and mentored an undergraduate student in conducting her own secondary analyses over the influence religion has on moral judgments of LGBTQ+ sexual behaviors.

Incoming Graduate Student Mentorship Program

2020~2021

The University of Texas at Austin, Psychology Department

- Created a formal avenue of support to ease the transition into graduate school for incoming graduate students in different areas of psychology. In this role, I served as a resource for student's questions and concerns.

Co-mentor for Undergraduate Psychology Thesis

2020~2021

The University of Texas at Austin, Psychology Department

Principal Investigator: David M. Buss, Ph.D.

- Advised, planned, and mentored an undergraduate student in conducting her own research study over the experience of compersion in consensual non-monogamous (CNM) relationships.

UTeam Mentorship Program for Underrepresented Students

2019~2020

The University of Texas at Austin, Liberal Arts Council Diversity

- Created a formal avenue of support between university faculty/staff/graduate students and undergraduate students from communities who often do not seek out this form of mentorship (LGBTQ+ students, first generation students, students of color, students with disabilities, and students of religious minorities).

Women's Sexual Psychophysiology Laboratory

2017~Present

The University of Texas at Austin, Psychology Department

- Supervised and trained ~10 volunteer undergraduate research assistants in IRB practices, survey design, data collection, screening of vulnerable populations, and physiological methodology (e.g., EKG; photoplethysmography). Hosted monthly journal clubs to train research assistants in how to comprehend and think analytically about academic journal articles specific to sex research.

The Evolutionary Psychology Laboratory

2017~Present

The University of Texas at Austin, Psychology Department

- Supervised and trained ~5 volunteer undergraduate research assistants in IRB practices, survey design, data collection, and cross-cultural research methodology. Hosted monthly journal clubs to train research assistants in how to comprehend and think analytically about academic journal articles specific to evolutionary psychology.
